

Revolving Networking Program

It's time again for the Revolving Networking Program to start up for the **2011-2012** year. Five times during the year, interested members will have the opportunity to meet in small groups (generally 5 people) for breakfast, lunch, dinner or another convenient time depending on the availability of the members in the group. This networking program offers the chance to meet different WBN members and spend an enjoyable and relaxing time getting to know one another better. At times during the year, the scheduled Friday breakfast meetings are difficult for people to make for one reason or another, many members take advantage of this networking opportunity as well.

The success of this program depends entirely on the strong commitment of the participants within the groups. Those who sign on are expected to participate fully. The primary contact person (group organizer) is responsible for calling the other women assigned to that month's group. If no contact is made within a reasonable time, the secondary contact person must assume responsibility. Groups are changed for every meeting, which helps us to get out of our *comfort zones* and network with new women.

Groups will meet in October/November, December/January, February/March, April/May and June/July. The two-month span per meeting will allow for a broader choice of dates.

If you would like to participate in this program, please complete and return this form to the Wellesley Chamber of Commerce.

Name _____

Telephone Day _____ Evening _____

Cell (in the event of last-minute updates/notices) _____

Email _____

Date _____

If you want to participate, please mail/fax this form to:

Wellesley Chamber of Commerce
One Hollis Street, Suite 232
Wellesley, MA 02482
